Morty is being loved by Pasado's Safe Haven. Morty is shy of humans, but he is brave and curious. He is learning that humans just want to love on him and will stay close by to people around Kitty City. He is a beautiful gray and white cat who will surely blossom in a loving home. His squinted eye is an old injury that did not heal correctly, but does not affect his daily life. If you would like to adopt Morty, fill out an adoption questionnaire today!
